Personal history

Mrs. Whitelaw's mother and father came to America from Switzerland in the early 40's and 50's.

Her grandfather John A. Sutter was a Swiss Cabinet maker. When he came to Wisconsin he settled on a farm near Suak Sauk because he could not find enough work in his own line to make a living. He founded the first glee club in Sauk and used to walk five miles twice a week to conduct rehearsals. He also made excellent zithers which his wife gave lessons on.
